

## Cambridgeshire Mencap 2011 calendar competition

We are having a competition to make a calendar. A calendar tells you the dates and the months of the year.

We need 13 great pictures to make our calendar. One picture for each month of the year and one for the front cover.

You can enter the competition by painting, drawing or making a picture. Or by taking a photo.

We will show everyone the pictures at our summer party in June.

Please post us your picture by **Monday 7 June** to:

Helen Thurley  
Cambridgeshire Mencap  
9 Church Lane  
Fulbourn  
Cambridge, CB21 5EP

On the back of your picture please add your name and address.

We will contact the winners of the competition by **Monday 14 June.**

The calendars will go on sale in October. All the money raised will go to support local people with learning disabilities and their families and carers.

We look forward to seeing your pictures!
